KEEP LIBRARIES CONNECTED WITH E-RATE ELIGIBLE SOLUTIONS

Technology allows patrons to take the library anywhere. That's why keeping the community connected is more important than ever before. The E-rate program makes it easier for libraries and other educational institutions to access essential funding for devices and connectivity.

UScellular™ can help you pinpoint E-rate eligible funding, and implement your remote access solutions with fast and reliable cellular connectivity and devices.

We'll be your partner every step of the way, delivering expertise and a variety of flexible solutions to improve community reach.

No matter what your library needs, our local experts will be there to help you navigate the process, choose the right solutions, and distribute them to your patrons.
